

PRAY FOR THE ARKANSAS CWJC / CMJC SITES

MONDAY

- Ask God to provide for the financial needs of each CWJC/CMJC site (i.e. fundraisers, contributors, local businesses, possible grants).
- Ask God to provide the volunteers needed for the day- to-day operations of each site (teachers, mentors, office help, cleaning help, kitchen help, etc...)
- Ask God to direct site coordinators as they match mentors with participants. Mentor/participant relationships play a key role in this ministry.

Tuesday

- Pray for God to provide opportunities for sites to network and partner with local agencies, businesses, churches, associations, and groups to meet the needs of participants.
- Pray for God to establish strong foundations of prayer for each CWJC/CMJC site. Each site is encouraged to have a prayer coordinator and prayer strategy.
- Pray for God to open doors for the CWJC/CMJC story to be shared with local and state officials who can help create a more friendly environment for this ministry.

Wednesday

- Ask God to motivate Christian women (esp. Women on Mission participants) and Christian men across our state to become more involved in this ministry. This ministry cannot succeed without Christian friends (mentors) to walk alongside the participants.
- Ask God to help our churches to be His hands and feet and be willing to minister to participants of CWJC/CMJC.

Thursday

- Pray for the families of the participants.
- Pray for the general health and well-being of the ministry leaders and volunteers.
- Pray for safety for all the ministry leaders, volunteers, and participants.

Friday

- Pray for participants to develop the life skills they need.
- Pray for participants to develop the job skills they need.
- Pray for employment and educational opportunities for participants.

Saturday

- Ask God to lead Arkansas Baptists to sacrificially give to the Dixie Jackson Arkansas Missions Offering. CWJC/CMJC sites will receive some Dixie Jackson funds in 2015.
- Ask God to give discernment to our state and national CWJC/CMJC leaders as they make decisions related to this ministry.

Sunday

- Pray for the participants of CWJC/CMJC as they learn and apply God's word to their lives.
- Pray for the Bible study teachers to be able to clearly and accurately communicate God's word to participants.
- Pray for the spiritual and physical health of CWJC/CMJC site coordinators.
